SAFETY PRECAUTIONS

The following safety procedures should be followed :

- Take precautions to prevent material entering the eyes (goggles should be worn, irrigate the eyes with water when contaminated and obtain medical care at once).
- Take precautions to avoid skin contact (gloves should be worn, barrier cream should be used).
- Ensure that repeated contact of paint with skin is avoided.
- Provide adequate ventilation. (Face masks must be worn).
- Keep away from sparks and open flames (for solvent-based materials).
